PRESS RELEASE

PERE DE MER 1988 NORTH FORC CHAMPION

Daytona Beach, Fl -

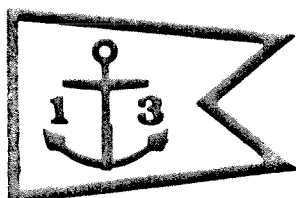

PERE DE MER, a new Lindenberg 28 owned by Bubba Ball of St. Augustine, rolled over the 1988 North FORC fleet with three consecutive wins in the three race 271 mile series. With designer-builder Paul Lindenberg on the helm, PERE DE MER turned in a flawless performance in big winds and small; big seas and small; it made no difference - she was always right up there with the bigger boats. She took home the Overall Trophy; first overall in Class A; and three Class A Firsts.

The second running of the Bi-annual series started on April 9 with the Mayport to St. Augustine race and finished up with the Daytona to St. Augustine race on April 23. There was good air ranging from five to twenty-five knots over the series with the wind shifts giving the fleet a severe challenge while running up and down the east coast of Florida.

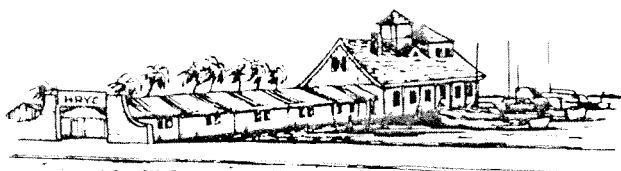

Taking Class B honors with three first place finishes was Bill Coolidge of Jacksonville sailing BALLSANALL, a Tartan 10. Coolidge also ended up second overall for the series.

M O R E

MEMBER OF:

MEMBER OF
FLORIDA COUNCIL OF YACHT CLUBS, INC.

North FORC cont.

The cruising boat class C was won by Ben Cornelius of Jacksonville sailing CLOUD NINE, a very swift CS 36. Cornelius sailed to two class firsts and a second to end up Class C overall winner and stood a respectable 11th in the fleet.

Finally, Class D was won by LOLA VI out of St. Augustine. The Cabo Rico 38 was raced by Bob and Judy Nagel and with their 2-2-3 finishes they were able to take the class.

The race series sponsored by the Florida Yacht Club of Jacksonville; the Halifax River Yacht Club of Daytona Beach; and the St. Augustine Yacht Club is scheduled on a bi-annual basis. This is the second running of the series and the Clubs are delighted to show a twenty per cent increase in the size of the fleet particularly in light of the dramatic loss of interest in the SORC and the Miami to Jamaica races this year. The North FORC is a performance (PHRF) rated race series and will continue to use this most successful and popular rating system. It is hoped that in future years other clubs will schedule a South FORC and a West FORC series leading eventually to a Florida Championship series that could be rotated through the three general areas.
