

Left the results data at home.
Will get it posted Tuesday.
Sorry about that.

@ Flemming Island Marina
(Formerly Whitney's Sail Center)

Registration: 1000-1100 AM

Skipper's Mtg @ 1100

Race Start Around 1200

It is time once again to test your skills as a sailboat captain.
If you had fun last year in the rain and fog, you will love it this year.

This is the race we have all been waiting for.

No crew to yell at, just you.

No rules, no regulations, no limitations (except yourselves).

Just good old fashioned fun - the hard way.

Not gonna bore you with complicated racing rules. There are only four:

- 1) Fly any sail or sails that you can get up and down by yourself.
- 2) Hit a turning mark and do a 360 prior to the next mark.
- 3) Hit another boat and you are Disqualified.
- 4) If you spill your beer, don't tell anyone.

This race is not sanctioned or affiliated with any club.

Race at your own risk, if you have the guts!

There will be lunch meat and fixins prior to the race.

After the race, while results are being figured, enjoy a cool beverage at

Flemming Island Marina and relax a bit.

We will do flags again this year instead of plaques.

Registration entry fee is \$25.

Hope to see you there.
