

Racing Rules Seminar

Who should attend?

All Skippers and crew members, to learn & refresh their knowledge of racing rules

To help us plan these two sessions and have enough materials available, please RSVP to spookboat@att.net by **February 9th**

Sponsored by:
First Coast Sailing Association
St. Augustine Yacht Club
The Rudder Club

Many of us have years of racing experience while some do not. All can benefit from review of the rules of

racing. The review will start with the basics, allowing new Skippers and Crew to become oriented. Even the most experienced may find their understanding of the current rules is dated. All will benefit from the interaction of experienced and novice racers during the afternoon case examples. Bring with you some humorous, and if brave enough, some embarrassing examples of your own to share. A prize will be awarded to the contributor with the best example.

Pick your date & location:

St. Augustine YC Saturday 2/12/11

Rudder Club Sunday 2/13/11

\$10.00/person at the door

Course materials, coffee, snacks, lunch included

COURSE DETAILS

Same course, pick either day & location:
