Commodore's Cup Race Sailing Instructions- October 13th, 2011

The course is intended to be a triangle course offshore, with the Cruising Class sailing around the triangle to finish, and the Performance Class (Spinnaker and Non-Spinnaker) sailing around the triangle and then doing an extra leg to the first windward mark Mark A) and finally back to the finish line. Distance for Cruising Class of the short course is 4.8NM, and the Long Course is 6.0NM. Distance for the Performance Class of the Short Course is 8.8NM and the Long Course is 11.0NM. Starting and finishing line will be between the Committee Boat and Mark C. The first leg will be from the starting line to Mark A, the second leg to Mark B. All turning marks should be left to port. The Committee Boat will display a placard with the designated course, followed by the letter L for the Long Course or the letter S for the Short Course

In the event of hazardous conditions of the ocean or in the inlet the race will be postponed. In the event of light air the course may be shortened before or during the race.

There will be two five minute starting sequences. The Performance Fleet (Spinnaker and Non-Spinnaker) will start at 1:00pm. After a five minute pause, the starting sequence for the Cruising Fleet will begin, and the Cruising Fleet will start at 1:10pm. The Race Committee may consolidate both fleets to one start at its discretion, and will announce any change at the Skipper's Meeting or on channel 72 prior to the time the first class flag is raised. Both fleets will use the following starts sequence. The timing of the start is determined by the removal of the class flags (time pieces and watches are relative). Sounds are secondary and may fail.

5 minutes before start	Class Flag Raised	Performance=Code Flag 5 Cruising=Code Flag 6	Horn Sound
4 minutes before start	Preparatory Signal	"P" Flag raised (blue with white square)	Horn Sound
1 minute before start		"P" Flag removed	Long Horn Sound
0 time		Class Flag removed	Horn Sound

All sailors must check in with the committee boat by 12:45pm on VHF Channel 72 or by passing by the Committee Boat and hailing. The race committee will monitor channel 72 and can provide race information, including any changes to these Race Instructions, up until the class flags are raised.

The 720 Degree Turn Rule will be in effect in accordance with rule 44.1 and 44.2.

Cruising Class yachts may be sailed with the assistance of self-steering gear, electric or wind (modifies RRS 52).

These races are intended to be a fun and friendly event, so protests are strongly discouraged. Varying boats with captain and crew of differing skill levels will be racing in close quarters so everyone is asked to be courteous and to give space where needed. The Racing Rules of Sailing should be adhered to at all times.
