

# 21st Annual Bull Bay Single Handed Race

Saturday, December 10, 2011  
Fleming Island Marina

Registration: 1000  
Skipper's Mtg: 1100  
Race start: 1155ish

I know we are all getting older, but we are also getting wiser. This is that time of year again to test all the things we practiced the last 12 months - only we get to do it without a crew to yell at. So... are you feeling the challenge? Can you still muster what it takes to make your boat move faster than everyone else? I think you can! Don't be scared. Just get your boat to Fleming Island Marina (formerly Whitneys Marina) on Saturday morning. We will take care of the rest of the details. There are no rules. Just show up and have some fun.

We have a non sanctioned race here. No points towards any races. Just old fashioned fun amongst sailors. Don't call me if the weather is bad (I don't know who will or won't be racing). Bring rain gear if you don't want to get wet. No excuse is acceptable!

## Rules:

- Fly whatever you dare to hoist. All boats will be PHRF Spin class.
- Hit a mark, do a 720 before the next mark
- Hit another boat and you are disqualified
- Spill your beer and you'll just have to suffer
- Monitor VHF 68

There will be no protest committee, just good rum to help ease the pain afterwards.

I will have lunch meat and fixings for you to prepare before the race; a handle of Rum and some Coke for after the race. Can you now think of a good excuse not to show up?

Cost will be \$25/boat. That should cover food, drinks, and flags. Any money left over will be put on the bar @ NOC later that evening.
