

23rd Annual Bull Bay
Single Handed Race

Sunday, December 15, 2013 @ Fleming Island Marina

Registration: 1000

Skipper's Mtg: 1100

Race start: 1155 ish

Ok Racers, this year we are gonna be racing on Sunday. That means that we can pray for wind. The venue and rules stay the same. Bring your boat and get ready for some good clean fun.

Just get your boat to Fleming Island Marina (formerly Whitney's Marina) on Sunday morning, Dec 15 and we will take care of the rest of the details.

There are no rules. Just show up and have some fun.
Fly whatever you dare to hoist. Don't be scared.
There will be 3 classes, if enough boats show up.

If you fly a "Jolly Roger" flag, then I will add 5 seconds to your PHRF.
If you dress like a Pirate, I will add 5 seconds to your PHRF.
So there - you now have an opportunity to add 10 seconds to your handicap.

We have a non-sanctioned race here. No points towards any races - just old fashioned fun amongst sailors. Don't call me if the weather is bad (I don't know who will or won't be racing). Bring rain gear if you don't want to get wet. No excuse is acceptable!

Rules:

Hit a mark, do a 720 before the next mark.

Hit another boat and you are disqualified.

Spill your beer and you'll just have to suffer.

Monitor VHF 68.

There will be no protest committee, just good rum to ease the pain afterwards.

I will have lunch meat and fixings for you to prepare before the race;
and a handle of Rum and some Coke for after the race.

Now, can you think of a good excuse not to show up?

Cost will be \$25/boat. That should cover food, drinks, and flags.
