

# 25th Annual Bull Bay Single Handed Race

Sunday, December 13th 2015 @ Florida Yacht Club

Registration @ 10:00  
Skippers meeting @ 11:00  
Start gun @ 11:55

We're switching up the location this year due to the current status of Fleming Island Marina. Florida Yacht Club has graciously offered to let us use their facility this year.

- We have a non-sanctioned race with only 1 rule: there are no rules - just don't hit anything or anyone.
- This is not a points race, just good old fashioned fun and bragging rights.
- This will be a time sensitive race as the yacht club is having their Xmas party the same afternoon.
- Race will be in the northern portion of the river between markers 1 and 9.
- We'll try and have 3 classes, if enough boats show up.
- We will use VHF channel 72.
- Party snacks and drinks to be served after the race.
- Flags to be given to only the most deserving sailors.
- Registration is \$25, which should cover costs.

We've ordered nice weather and wind for this year. Hope to see you there.

Note 1: FEC railroad bridge will be closed from 7 Dec @ 7:00 am till 11 Dec.

Note 2: Main St. bridge may still on 2 hour notice. You might need to check.

Note 3: This will be the last year for me running the race. Time to pass the baton to someone else.
