Race Week Youth Regatta Gets Its Own Weekend

For the first time ever the St. Augustine Race Week Youth Regatta takes place the weekend *before* the big boats go racing – March 23 & 24, 2109. This gives the kids their own special weekend and simplifies the logistics of getting dozens of small sailboats on and off the water. Spectators will be able to watch the action all along the bayfront. The Youth Regatta is open to all qualified youth sailors. Parents or sailors can register at www.staugustineraceweek.com. Race Week 2019 offshore races are March 28,29 & 30. Inshore races are March 28 &29.
