Sailing Instructions – Appendix A

General ICW Race Courses

Course - North

Course - South

Unless otherwise specified in NORs or Sailing Instructions, Inshore Saint Augustine Yacht Club events will use the following course diagrams.

1. The start/finish line will be between the Orange Flag on the Committee Boat (CB) and Government Mark 55.
2. Boats will start heading either north or south.
3. The race committee will identify Mark A and Mark B prior to starting. They may be government marks or other suitable temporary marks.
4. The race committee will specify the number of laps to be sailed.
5. Boats may not pass west of the Committee Boat, or east of Mark 55 while racing. In other words, the start/finish line must be crossed each time it is passed. Therefore, the committee boat and Mark 55 are marks of the course, as such RRS 18 applies. They should not be considered obstructions.
6. All other marks shall be rounded to port.

As an example, the race committee might make the following radio announcement: "Today's race shall be Course - South, once around. Mark A is Government Mark 57. Mark B is a yellow tetrahedrane approximately 0.75 miles north of Mark 55." This should be interpreted and sailed as follows: (i) Start between CB and Mark 55 heading south (ii) round government mark 57 (Mark A) to port (iii) head north, leaving Mark 55 to starboard and CB to port (iv) round the yellow tetrahedrane (Mark B) to port (v) head south, finish with CB to starboard and Mark 55 to port.

Race committee may shorten course for one or more classes according to RRS 32.2 and may finish boats between CB and Mark 55.
