The race direction will be finalized at 8.30 am for an 11.0am start.

SMYRNA YACHT CLUB BOATOFEST THE 7 TH BREWERS CUP SATURDAY OCTOBER 26TH 2019

The Brewers Cup

This is a downwind "FUN" race between the Smyrna Yacht Club and Mosquito Lagoon, a distance of about 10 miles. The direction – either racing North or South -- is chosen to create a downwind race which allows many of the boats to fly spinnakers.
In addition we use a staggered start so that as many boats as possible will finish the race together. This can be particularly exciting if the handicappers get it right and the finish is at the Smyrna Yacht Club.

The first Brewers Cup event in 2013 was won by Rob Mundell and his crew on Wave Whacker.

Festivities will start at SYC Tiki at 5.30 pm on Friday 25th October.
Hors d'oeuvre will be available from 5.30 together with a cash bar.
This is a good time for those requiring overnight dockage to arrive.

The Registration Table will be open and we will have a Skippers Meeting and crew introduction at 6.0pm

The Brewers Cup Race will take place on Saturday 26th October.
There will be a further Skippers Meeting at 8.30 am to determine the direction of the race.
