

RCoJ Werewolf Results

Mar 27, 2021

1 - Kaos

2 - Rapid Transit

3 - Encore

After a one-hour delay, our patience paid off as the sea breeze filled in nicely. The Werewolf start was at baseline 6:30 pm. Three boats, Kaos, Encore, and Rapid Transit had a great time. First leg to Marker 9 was somewhat upwind, requiring everyone to tack twice. Marker 9 to 5 was very close reach for Rapid Transit but we were able to hold the kite all the way. We were upwind under headsail and a little cracked off on the final leg to Marker E. Close finish with Kaos winning the race, Rapid Transit close behind, Encore in third place.

Perfect conditions for Werewolf and a great full moon. Let's all get out for the next Werewolf on April 26.
