

April 26, 2021 Werewolf:

Great Werewolf Race last night. We enjoyed the moon and some good wind. Kaos and Rapid Transit raced the "Full Wolf". First leg to Marker 9 was upwind. Marker 9 to Marker 5 was a close reach. Marker 5 to finish at E was close reach until the runway at NAS and then we set spinnakers to the finish. Results as follows:

Rapid Transit – 1

Kaos – 2

We need to get more boats out. You are missing the fun if you don't Werewolf!
