

EFYCC Regatta Dates 2021

- April 17 duPont Cup – Race #1 of two part Series
- June 5 Jessie Ball Regatta – Race #2 Women’s series (We request getting our race date back to where it was previously for many years prior which has been the first weekend of June).
- September 26 “Fastest in the Forest” in Club Regatta
- November 13 Kings Day Regatta – Race #2 of two part series

Respectfully, we wish that any changes being addressed other than what we have normally scheduled year after year, be proposed and notified for further approval as it relates to scheduling and planning. Coming out of Covid is our top priority for our members and guests.

Our Departments have already had several planning meetings starting in August and through September. Those meetings have us planned out into 2022 already.

Thank you for the time and consideration as we move forward into 2021.

Best wishes,

K Keller
