ST. AUGUSTINE YACHT CLUB

This family friendly event is open to ALL boats capable of sailing in the Tolomato River. We'll have three fleets: Performance, Cruiser and Dinghy.

Race-1 will be a staggered start race from marker 55 north of the Vilano bridge to green day mark 35 about 6 miles north.

There is an excellent anchorage area on the east side of the river just north of our finish line. Kosmo will be anchored up and serving hot dogs off the swim platform. All are encouraged to drop a hook and go for a swim.

Race-2 will be the reverse of Race-1 with a single start and TOT scoring. Trophies will be awarded in all classes.

Register now for this fun day of racing with a free tubesteak. NOR and SIs coming soon...
