

## 70<sup>th</sup> Annual Mug Race

May 4, 2024

Palatka to Jacksonville

Rudder Club and Palatka Yacht Club

After a few years of steady winds for the race, the weather reverted to an old pattern—light in the morning, dead at lunchtime, and eventually a nice sea breeze came in. 51 finishers out of 66 starters (70 boats were registered). Corrected time results favored the boats with high Portsmouth ratings, and Roger Dowdy on a Venture of Newport 23 was the overall winner on corrected time. On elapsed time, Eric Roberts repeated as the winner on an ARC 22.

SPORTSMANSHIP TROPHY Exemplary Race Behavior

Dale and Jackie Carson and Dan and Cathy Wilensky

Near the end of the race Saturday, a Hobie Tandem Island, skippered by Steve Kerlake, started taking on water. They sailed to a private dock in Mandarin. Dale and Jackie Carson and Dan and Cathy Wilensky helped Steve and his 82 year old father who were having difficulty getting out of the water and climbing onto the dock. The Carsons and Wilenskys gave considerable help until a Rudder Club Skandia arrived. Even though the Carsons and Wilenskys were not in the race, they displayed the spirit of sportsmanship in aiding Mug racers.
