

## ATTENTION: AREA SAILORS!

To enhance the value of FCSA for you, our Annual Meeting this year is focused on modernization of our outreach and plans to enhance participation. We will hear from our working committees, receive updates from clubs, and we will discuss race management and scoring including training and education opportunities in 2025. Trophies will be awarded for the 2024 calendar based on the designated "Circuit" races and the adopted Scoring Matrix. We will also be electing FCSA Officers for 2025.
